Reach YOUR Target Audience

Showcase your company, products and services to an audience of up to 100 physicians, residents and medical students at the Tennessee Orthopaedic Society. Meeting on this fall!

As a sponsor, you will have the unique opportunity to showcase your products and services, extend your brand identity, and create a strong, visible presence among the leading physicians, residents and medical students in the orthopaedic field of medicine. Please review the opportunities for the one that's right for you.
